

## **BODOSSAKI FOUNDATION**

The President

Athens, December 15, 2011

Dear Mrs Sfendoni - Mentzou,

Thank you for your invitation to attend the official opening ceremony of the "Interdisciplinary Centre for Aristotle Studies" but unfortunately my current obligations in combination with the late receipt of your invitation do not allow me to be with you.

I wish you, however, wholeheartedly good luck!

Sincerely,

D.S.Vlastos
